EGU General Assembly

OSGEO TOWNHALL TM9

Open Source Scientific Software for Open Science

Thursday, 27 April, 19:00–20:00, room 1.85

This event welcomes all EGU scientists, especially welcoming Early Career Scientists, to network and discuss the current challenges and opportunities related to Open Source Scientific Software as part of Open Science. Refreshments will be served.

Your Open Source Compass

The townhall is organised on behalf of the Open Source Geospatial Foundation (OSGeo) – a not-for-profit umbrella organization for Free and Open Source geospatial tools, including QGIS, gvSIG, GRASS GIS, Geoserver, GDAL, and many others. OSGeo supports the collaborative development of open source geospatial software by promoting sustainable Open Science within EGU.
