

Australia FME User Meeting: Registration Now Open

You're invited to a complimentary FME User Meeting in Sydney on October 19, 2009. Don't miss this intimate and interactive event to learn how to get the most out of your FME investment. Plus, discover new ways that FME can help you solve spatial data access challenges.

[Register today to reserve your space](http://www.safe.com/australia2009) (www.safe.com/australia2009).

Program Overview:

The agenda will be packed with both informative and interactive sessions. Highlights include:

- Get a sneak preview of FME 2010 with Safe Software Co-founder and Vice-President of Development, Dale Lutz
- Discover FME best practices and new tips and tricks to extend your spatial ETL expertise
- Hear first-hand about recent FME projects from other organizations
- Network and exchange ideas with other FME users in your local area
