

What did we take away from
this conference?

Big need for one aspect of our mission:

Big need for one aspect of our mission:
Education

Big need for one aspect of our mission:
Education
Education

Big need for one aspect of our mission:
Education

Education
Education

Big need for one aspect of our mission:

Education

Education

Education

Education

Glitches?

Glitches?

... or learning experiences?

All sponsors are happy.

The **BIG** ones
&
the small ones

And all attendees are happy.
and learned a lot

And all attendees are happy.
and learned a lot
and connected even more

Hosting the conference in South Africa?

Very daring!

Sharing a program with GISSA?
Very daring!

Did it work?

Did it work?

Absolutely!

**Our deepest thanks
to the organizers!**

Folks said that it is great to see

Folks said that it is great to see
That we **love** what we are doing!

Admittedly...

We had a **lot of fun!**

Therefore

OSGeo **says:**
Your Open Source Compass

Therefore

OSGeo **says:**
Your Open Source Compass

Thank you All!
