Subject Letter of Support for FOSS4G Asia 2020 in Seoul

---

1. We wish your committee continued success.
2. We are very pleased to send this open supporting letter for FOSS4G Asia 2020 in Seoul. Smart Geo Expo Organizing Committee and OSGeo Korean Chapter has agreed to co-host FOSS4G Asia 2020 in Seoul in conjunction with Smart Geo Expo because both sides believe co-hosting FOSS4G Asia 2020 in Seoul could give very unique experiences to all the attendees from FOSS4G Asia and Smart Geo Expo 2020.

Smart Geo Expo is one of the largest geospatial trade fair and conferences in Asia. FOSS4G Asia 2020 in Seoul could be a great opportunity to spread open source GIS solutions and its spirit to the delegates of Smart Geo Expo from Korea and from Asia. Also, attendees of FOSS4G Asia 2020 can learn and experience various aspects of geospatial business from all around the world. We confirm that Smart Geo Expo Organizing Committee will support and sponsor FOSS4G Asia 2020 in Seoul to the best extent we can.

We believe that this co-host of FOSS4G Asia and Smart Geo Expo will be ideal mixture of community and industry.

We look forward to seeing all of you in Seoul next year.
